SEMI-WEEKLY—TUESDAYS AND FRIDAYS

The Upland News Gives You Complete Coverage—

VOL. LII. UPLAND, CALIFORNIA, FRIDAY, AUGUST 2, 1946. NO. 27

Plan Beautiful Airport, Cable Tells City Council

Promise of a beautiful airport that would be a credit not only to Upland but Claremont and other surrounding areas as well was made to the Upland city council last night by Dewey Cable, owner and operator of the Cable airport.

Speaking in behalf of A. E. Cofer who requested outside water for a proposed restaurant and two new homes on Foothill boulevard outside of the city limits, Mr. Cable said, "I'm trying to build something out there that's going to be a beautiful spot. I'd like to ask one favor of the council, that you give me a little cooperation."

Mayor Eugene G. Nibet and Councilman Paul Hottel both told Mr. Cable that it was an established policy of the council not to encourage commercial establishments on Foothill boulevard.

HAVE FAITH

"We're not bucking you. We have faith in you," Mayor Nisbet declared. "But as to this matter of extending our water lines outside of the city, we have to establish a definite plan."

The Upland mayor added that since the citizens of Upland were not allowed to build commercial establishments on Foothill boulevard it didn't seem fair to give those outside of the city that right.

POSTPONED

However, the council agreed to take the matter under advisement and postponed any action until the August 15 meeting when Mr. Cable will present plans for the proposed expansion of his airport.

Mr. Cable told the councilmen that the restaurant and homes being planned by Mr. Cofer would use about 480 feet of boulevard frontage but that they would be a considerable distance from the highway. Much of it would face the private road leading into the airport.

"I defy you to show me another private airport that has advanced as this one has," Mr. Cable declared. "And it has grown without any help, financial or otherwise, from anyone. That's why I'd like the council to give me more cooperation."

BEYOND CENTRAL

The site on which Mr. Cofer wants to build is located on Foothill boulevard just beyond Central avenue, near the Cable airport.

Outside water was granted by the council to William C. Pruitt, San Antonio Heights for a home which will be built as soon as materials are available. In the meantime, Mr. Pruitt wants to plant trees, shrubbery and flowers.

School Board Hires Teacher, Office Assistant

One new teacher and an office assistant were hired by the Upland school board last night for the Upland Junior high school.

James G. Hutton, who was employed as a teacher of social sciences, replaces Miss Lillian Matteson, Ottumwa, Iowa, who had previously signed a contract with the board but notified the board that she had decided to remain in the midwest.

Mrs. Martha Willingham was appointed office assistant for the Junior high school.

A graduate of U.C.L.A., and Kansas City Teachers college, Hutton taught one year at the University high school in Los Angeles. A veteran of World War II, Hutton served in the Army air forces as a B-17 pilot, completing 18 combat missions in the Mediterranean theater.

Several possibilities were discussed for the position of school nurse, but the office remains open. Miss Winifred Erskine, director of the San Bernardino county health service is working on the problem and the board anticipates an appointment in the immediate future.

School board members present at the meeting were Mrs. Frances Mitchell, Howard Mason and Allan S. Barr, clerk, along with Harold Cook, school superintendent.

Named Umpire

Although Johnny Meek, Upland's All-American, doesn't know yet whether he will find time to be assistant Chaffey college football coach, he accepted today the offer to be head umpire of the "civil war" softball game between the Upland Rotarians and Lions on August 21.

Meek To Umpire "Grudge" Game

John Meek accepted today the offer to become head umpire of the big softball game between the Upland Lions and Rotarians at John Galvin park on August 21.

At the same time Meek said he hadn't made up his mind as yet whether he would have time to accept the assistant football coaching job at Chaffey college because of lack of time.

Meek, who hesitated at first to accept the umpiring post, said that he would not only be "fair but firm" as well, "providing I don't have to call them too close."

Invitations will also be sent to the presidents of the Ontario Lions and Rotarians, asking them to act as base umpires. It was felt that since each one of them would be prejudiced in favor of their own club, the presence of Meek might bring about a few "fair" decisions.

The Rotary-Lions "civil war" game will begin at 5:30 p.m. and will be followed by a picnic lunch of Lions and Rotarians. Wives of members are being included in order to keep "peace" among the players after the game. (Complete details on page 5.)

Expect Chaffey Dormitories To Be Ready for Occupancy September 15

Although actual construction on single men's domitories to accommodate 100 Chaffey college students has not begun, it is expected that they will be ready for occupancy around September 15.

Approval of the project was announced earlier this week by the San Francisco office of the Federal Public Housing administration. The dormitories which will cost $38,600 will be one-story barracks building reconverted according to FPHA specifications. They will be located on the college parking lot on the north side of Fifth street opposite the college shop and aviation buildings.

Six dormitory buildings and one apartment unit will comprise the housing. The apartment will be used by the person who will be in charge of the project.

Each dormitory will accommodate 16 men in eight bedrooms and will be 20 by 100 feet. The buildings will be of all metal construction.

Traffic Cases in July Total 391

There were a total of 391 traffic cases in the city during the month of July, Police Chief Eugene L. Mueller reported to the city council last night.

By comparison for the same month in 1945 there were 99 traffic violations. Of the total for last month 176 were for speeding; 136 failure to observe stop signs and four drunken driving.

Judge Mildred Puckett also reported a record in fines for the traffic docket. A total of $2,788 in fines was paid by motorists to the city of Upland. Other violators paid $340, bringing the total for the month to $3,128.

Accidents within the city for July were reported as 17 with three injuries resulting. This was the same amount as for the previous year.

Other statistics released by Chief Mueller for July were: Prisoners held in jail, 36; animals disposed of, four; doors and windows found unlocked, 21 and shooting in groves, five.

Police collected $546 for dog licenses; $260 for business licenses and $5.25 for bicycle licenses.

FIREMEN CAN'T FIND FIRE; CHIEF MAKES SUGGESTION

A fire alarm early yesterday morning proved fruitless for the Upland fire department.

The call stated that there was a fire at a house on the corner or Foothill boulevard and Mountain avenue. When the truck arrived there was no fire to be seen.

Fire Chief Howard Paulin used this as an example to make the following requests from Upland residents.

(1) If after you've made a call, the fire truck does not arrive after a resonable length of time, be sure to call again. The fire department now has radio communication and the message can be immediately relayed to the truck out looking for the fire.

(2) If you manage to put the fire out yourself, then call the fire department so that they won't waste a lot of time looking for a fire that no longer exists.

Both of these suggestions are for the benefit of the residents themselves, Chief Paulin declared, since while firemen are looking for a fire that probably doesn't exist a more serious fire may happen in some other part of the city.

Uplander Will Go To Alaska

Pfc. James R. Ayers, 351 South Second avenue, was among the 210 paratrooper volunteers who left Fort Bragg, North Carolina recently to join Task Force Frigid in California, according to an announcement from regimental headquarters at Fort Bragg.

With the rest of the outfit, Ayers will take six weeks of advanced training preparatory to his departure for Ladd Field, Alaska. Purpose of the trip will be to test army equipment and airborne tactics in sub-zero weather.

PARKSIDE DANCES

Saturday night dances for Parkside Teenagers will not be held during the month of August. However, they will be resumed again in the community building in September.

Complaints on Express Agency To Be Filed With Chamber

If people are inconvenienced by the discontinuance of the Railway Express agency service, as formerly given, complaints are to be filed with the Upland chamber of commerce, it was suggested today by a committee investigating the situation.

If enough complaints are received, the committee will report to the Los Angeles office of the agency in an effort to get a full-time office opened in Upland.

The agency at the Pacific Electric station was discontinued and a depository station retained at the Santa Fe station.

Chamber Ballots Now in the Mail

Ballots are in the mail for the Upland chamber of commerce annual election. Two women and 12 men have been nominated and seven will be chosen. Ballots are to be returned by August 15.

Nominees include Mrs. Paul Hottel, Mrs. Sam B. Rowe, I. T. McFadden, Basil Harris, Oris Heinauer, Vernon Paine, Jack R. Ricci, Ellery F. Wright, Walter Gear, Owen Davis, Clinton O. Mayberry, Harland P. Horak, Joe Seitz and Floyd Chambers.

Surplus Books At Upland Postoffice

Answers to many questions on buying surplus war property are now obtainable in the new 32-page War Assets Administration booklet, available free at the Upland postoffice.

The illustrated booklet explains procedures for buying surplus goods, tells where to get information on sales throughout the nation, and gives information to veterans as to their rights and priorities.

Musicians Plan Full Fall Program

Scoring triumphs both at Chaffey and Pomona with its first production, "Pinafore," the Foothill Music association has begun making plans for a full fall season.

While no definite program has been agreed upon as yet, the association is seriously considering the presentation of a grand opera sometime next year. One of the lighter operas like "Carmen" or "Martha" have been suggested as possibilities.

Another item which will probably be included in the fall season is a symphony concert by the Foothill Music association concert orchestra. One or two more operettas similar to "Pinafore" will probably round out the program.

The fact that [illegible] pored so heavily dur[illegible]ner, when it is supp[illegible]oor season for musi[illegible]atic productions, has [illegible]tion members as we[illegible]t a great deal of en[illegible]and confidence to em[illegible]ger program.

Canteen Issues Call for People To Raise Roof

Do ya' know anyone who would like to help "raise the roof"? If so, tell them about the moonlight dance planned by the Teen-Can-Teen, the proceeds of which will be used for repairs, among them raising the roof, and the purchase of new supplies and games.

The dance, to be held August 10 on the tennis courts at De Anza park, South Euclid, Ontario, is open to the public. Kenny Hoover's orchestra will supply the music.

Among the projects being worked towards by the youth center are the attainment of more space, new wiring, cement flooring in the back of the building, and additional games, among them ping-pong tables and shuffleboards.

Propose Bus Line Within City Including San Antonio Heights

Lemon Growers Get Use of City Street Property

Contingent upon a written agreement, the Upland city council last night approved a resolution granting the Upland Lemon Growers association two feet 10 inches of public property for use in the installation of a cooling system.

A provision in the resolution, however, states that the city can at any time ask the Lemon Growers to vacate the property and that it must remove any equipment or building on the city property at its own expense. The association must give the city a written agreement to this effect before the resolution actually becomes law.

The property to be used by the Lemon Growers is on the east side of Sultana avenue, just south of the Santa Fe right-of-way. This area has been dedicated for street use but since there are no immediate plans to build any such street, it was felt by the councilmen that temporary use could be granted to the association.

The request of the Lemon Growers has been investigated and studied both by the planning commission and the council for more than a month.

Give Demonstrations Of Aeronca Chiefs At Cable Airport

Two Aeronca Chiefs will be available for demonstration at the Cable airport Sunday, Dewey Cable, owner and operator, announced today.

Everyone in the community is invited to attend. Flights in both planes will be given to those who desire. Demonstrations will be held all day Sunday.

The Aeronca planes will be flown from Glendale Saturday night and will be on the field first thing Sunday morning.

Curtail Buses To Eastern Half Of School District

The Upland school board voted last night to discontinue school bus service for all elementary and junior high students living in the eastern half of the school district.

With the establishment of attendance areas and abolition of segregation of students, the board felt that since students would attend the school nearest their homes, few students in the eastern half of the district would live far enough from school to justify the bus service. School bus service in other parts of the district will not be affected.

In previous years, the board explained, when Mexican-Americans were required to attend the Sierra Vista school, a bus carried those students living in the southeastern part of the district to the Sierra Vista school. Other students living in that vicinity could use the bus to attend the elementary and junior high schools.

Since segregation is no longer permitted, the long trip from southeastern Upland to the Sierra Vista school will not be necessary.

Students living in the area bounded on the west by the prolongation of Fifth avenue, on the north by Fourteenth street, on the south by Thirteenth street and the east by the edge of the school district, will attend Sierra Vista school while the remainder of the students will attend the Upland elementary and junior high schools.

The establishment of these boundaries will mean a decrease in enrollment of 70 or 80 pupils in the Sierra Vista school with the other schools absorbing those students.

The budget for the 1946-47 school year was officialy adopted by the board. The tax rate will remain the same as the previous year, 90 cents.

Temporary school housing was discussed, but the board decided, because of high construction costs, to refrain from taking any action unless an unexpected influx of students in September made it imperative to act. Several possibilities in temporary school housing were studied.

New Students Must Register

New residents in the Chaffey district were reminded today by Ernest W. Fischer, Chaffey High school principal, that registration for high school student were completed last May and that new students should get in touch with the high school office at once.

Total registration for the high school now stands at 2,250 which is an all-time record for the school. Although it will be crowded some additional facilities will help to alleviate the condition, Mr. Fischer said.

New students who have moved into the community during the summer are asked by Mr. Fischer to check in at the office immediately so that their programs for the fall can be completed.

Since program for students were completed last May, classes will begin at Chaffey High school the first day school starts.

Committee To Study Request Of Operators

An inter-city bus line which would serve San Antonio Heights and the Los Olivos, Parkside projects as well as the rest of the city was proposed to the Upland city council last night.

While looking with favor upon the project, the councilmen agreed that it would be advisable to appoint a transportation committee who with the city manager and city attorney would further study the request. Mayor Eugene G. Nisbet said that the committee would be named by next Monday.

A. M. Kacz, 922 East Ninth street, who with Fred Potter and S. J. Jones are co-partners of the proposed line, said that they would operate under the name of City Transit Line. Fare would be 10 cents for each passenger over 12 and no charge for children accompanied by parents.

CHEVROLET BUS

In a letter to the council Kacz said that the bus, a 1942 steel body Chevrolet, will cover the following area in the city:

Commencing at the intersection of Euclid avenue and the Upland north city limits; south on Euclid avenue to Thirteenth street; east on Thirteenth street to Campus avenue; south on Campus avenue to Eleventh street; west on Eleventh street to Second avenue; south on Second avenue to Ninth street; east on Ninth street to the Upland east city limits, and return via the same roue.

According to Kacz, the bus will start operating at 6:30 a.m. from Euclid avenue terminus and the north city limits and cover the entire route to the east city limit. After that it will be on a half-hourly schedule between the east city limit and Campus avenue and Thirteenth street until 9 a.m. Then it will operate over the entire route, leaving the east city limit on the hour and the north city limit on the half hour until 4 p.m.

UNTIL MIDNIGHT

Beginning at 4 p.m. and continuing until 6 p.m., the City Transit Line will go on a hourly schedule again covering the entire route until the arrival of the bus at the east city limit at 8 p.m. Then it will make one round trip over the entire route, leaving the east city limit at 11 p.m. and the north city limit at 11:30 p.m. arriving at the east city limit at midnight.

Two subdivisions included in the recommendations of the plan-

(Continued on Page Seven)

Driver Hurt In Car Collision

Failure to see the driver in the car ahead of him signaling for a left turn at Foothill boulevard and Campus avenue yesterday afternoon resulted in injuries for James W. Moray, Sierra Madre.

Pedro Leon, Upland, was going west on Foothill and stopped to make a turn into the Martinez Service station. According to police, Leon had his arm out to indicate the turn but Moray did not notice it until it was too late and ran into the rear of Leon's car.

Moray suffered lacerations of his left arm, superficial cuts of both legs and general bruises on his body. He was taken to San Antonio Community hospital for treatment. Leon received a small cut on his left arm.

Both cars traveled 18 feet following the impact, the front of Moray's car being badly damaged and Leon's car knocked out of line. Both vehicles were taken to the Couch service station.

Fires Call on 28 Volunteers

Twenty-three volunteers responded to three general alarms during July, according to Fire Chief Howard Paulin. There were eight still alarms to which five volunteers were called.

No damages resulted from any of the general alarms while $30 damages were reported on a still alarm at 230 East Eighth street. The still alarms consisted of trash, weed and bush fires.

The general alarms included a car in a garage, 171 South Second avenue; bush fire at Foothill boulevard and Campus avenue, and a garage shop at the Holliday Rock Co.

News To Cover Lions And Rotary Training

Beginning today and on every Tuesday and Friday until the day of the game, The Upland News will bring its readers "on the spot" stories of both the Lions and Rotary softball teams in training. The date for the clash between the two teams which has all the earmarks of being a "civil war" before it's over is tentatively scheduled for August 21 at John Galvin park. Both teams have started "heavy training" this week which will be "increased" as game time approaches. Turn to page 5, today for the first in the series.

"Bigger Than Imagination" Miss Ling Says Of America

BY MARGARET YANCEY

"Everything in America is on a much larger scale than in England," was the comment expressed this morning by English-born Dorothy Ling, who arrived here yesterday to become the bride of Robert Armstrong, 582 North Sixth avenue, Upland. Wedding plans are as yet indefinite.

"America is twice as large as I imagined it," she stated. "I thought I'd never get across it." As to the country, Miss Ling's comment was that she saw "lots of cornfields and lots of cattle."

She stated that she "didn't quite know what to expect" as far as California was concerned. "However," she added, "it's not quite as hot as I expected."

Miss Ling, who made her home in London, was impressed by scenery in the Hudson Valley, New York, but said that it wasn't much like England. "The scenery is too large for England. In England, everything is broken up by hedges.

"People seem to be more friendly in America," she continued. She expressed surprise that a taxi driver in Los Angeles had been able to change an English pound note for her, although she had no idea what he intended to do with the English money.

She stated that the system of exchange was not too difficult to understand. Her first experience with American currency was in the ship's canteen during the Atlantic crossing.

ARMY TRANSPORT

The ship which carried her across the Atlantic was an army transport. She commented that she had had a nice crossing, although the ship was rather crowded. They lived 20 to a stateroom and slept in bunks three tiers up. The ship carried approximately 570 passengers.

"We had a marvelous time when the ship docked outside New York harbor Sunday night. We could see the Statue of Liberty and everyone went completely mad," she recalled with a smile.

"I still think in terms of coupons. I bought a pair of shoes

(Continued on Page 8)

Forty Years Ago Dr. Hill Came Here; Plans To Retire

Dr. Merton E. Hill, with 42 years of school administrative work behind him, plans to retire "before many years", he told The Upland News yesterday.

Director of Admissions at the University of California in Berkeley and Los Angeles since 1931, Dr. Hill resigned on July 1, and will be professor of education at Berkeley until his retirement, he said.

Dr. Hill, who was the leading force in the organization of Chaffey and its first superintendent, came to Upland 40 years ago last Wednesday. A charter member of the Upland Rotary club, he spoke to Rotarians Wednesday, telling them that as far as he was concerned "Upland was the best spot in the world" in which to live.

Dr. and Mrs Hill came to Upland on July 31, 1906, with their furniture packed in a wagon that was drawn by horses.

"We drove in that wagon for 15 hours and we didn't see a car all day," Dr. Hill said, recalling his first day in the city. The Hills settled in a house directly across from the present Woman's club building where Dr. Hill spoke last Wednesday.

Two years after his arrival in Upland, Dr. Hill became principal of the Upland grammar school and had as his students many of the people who today are prominent in the business and civic life of the community.

He related how the first trees, flowers and shrubbery planted at the site where the Upland junior high school is today was done by pupils and faculty members of the school.

"It didn't have a tree, shrub or flower when we moved into the school," Dr. Hill said.

Heights Firemen Adopt By-Laws

In an effort to provide better fire protection for San Antonio Heights, the San Antonio Heights Volunteer Fire department has adopted a new constitution and by-laws and elected new officers.

Arthur Reeder was named fire chief; David Stump, assistant fire chief; A. J. DeMeyere, secretary and treasurer; C. G. Lydick, first captain; O. D. Davis, second captain. Standing committee will be named at the first meeting in August.

Controlled burning of high fire hazards will be done on a regular schedule by the federal and state departments. The San Antonio Heights Volunteer Fire department will receive training under the supervision of Assistant Ranger Ullery. According to the present plans this work will be started and finished the week of August 5.

Legion Officers To Be Named

Upland Legionnaires will elect new officers and vote on an amendment to their by-laws when they hold their regular monthly meeting at the I.O.O.F. hall on Wednesday, August 7.

Nominations for officers were made at the July meeting but further nominations may be made Wednesday before the actual voting starts. The amendment which was proposed by Earl Marsh calls for making the offices of adjutant-finance officer, historian and service officer appointive rather than elective.

Those who have been nominated for officer positions are: Houston Dewey, commander; Stephen C. Kalagian, vice-commander; H. L. McClellan and Raymond Davis, chaplain; Glenn Goforth, sergeant-at-arms, and Henry Busch, E. E. Carter, Francis Rogers, Elsworth Mitchell and Thomas Bryant, executive committeemen.

Commander Carter reminded members of the Upland post to make every effort to attend the meeting Wednesday so that officers will be those desired by the majority of the membership.

Methodist, Congregational Churches Unite For Services

For the month of August members of the Bethel Congregational church and the First Methodist, Ontario, will unite for worship services. Speaker for this Sunday will be Rev. Charles L. Knight, speaking on the topic, "The Adequacy of Christianity." A motion picture, "Pilgrimage Through Palestone," is to be shown during Sunday school at the Bethel Congregational.

Likewise, in Upland the Methodists and the Presbyterians will continue to unite through August, meeting each Sunday in the Presbyterian church. Rev. Rufus W. Oakey, Presbyterian minister, will speak on "The Backside of Life." On Wednesday the churches will hold combined prayer meeting.

"A Word to the Lonely" is the theme of the sermon which will be offered to congregation members of the First Mennonite church. No evening preaching services will be held.

HEIGHTS CHURCH

Sermon topic for services at the Bethany Union church, San Antonio Heights, has been announced as "What Then Shall This Child Be?" All services will be held as usual.

Ferron Troxel, superintendent of the First Christian church, Ontario, will conduct services in the absence of Rev. Edwin L. Carter.

In the absence of William A. Hulet, pastor, morning services at the Free Methodist church, Ontario, will be led by Dr. Llewelyn Davis, dean of Los Angeles Pacific college Bible department. Rev. Walter Reynolds, former pastor, will be guest speaker at the evening services.

COMMUNION

A communion meditation period will be held at the First Baptist church, Ontario, instead of the usual services. This Sunday begins the fifth year of Rev. R. Merrill Jensen's work at the church.

"Problems of Young Christians in Africa" will be discussed by Rev. E. L. Eyer at evening services at the Brethren in Christ church. The E. L. Eyer family just came from Africa. Members of the Young People's Christian league will meet at 6:30.

ONTARIO CHURCH

Communion services will be held during the morning at the Foursquare Gospel church, Eighth street, between South Second and Third avenues, with Rev. Lewis Johnson directing. Young people's group will hear Fred B. Hicks at 6:30 p.m., and evening services will be led by Rev. Beulah Johnson.

Sermon theme for the address of Rev. Carl Pohlmann, pastor of the First Lutheran church, Ontario, will be "Lift Up a Standard for the People".

Nazarene Pastor Attends Institute

W. H. Burton, pastor of Upland Nazarene church, will return Sunday from Idylwild where he is campfire speaker at a young people's institute. Accompanying him are Mrs. Burton, his daughter, Ruth Burton, and a group of young people from the local church: John List, Miss Vivian Boone, Mr. and Mrs. Jessie France Mrs. Gertrude Jenkins, Miss Jean Matthews and Miss Gloria Matthews.

Rev. Hulet Speaks At Arizona Camp

William A. Hulet, pastor of the First Free Methodist church, Ontario, left after services last Sunday night for Prescott, Arizona where he will be one of the speakers at an 11-day camp, arranged by the churches in Arizona. Rev. Hulet took with him the members of his family, Mrs. Hulet, his daughter, Miss Phyllis Hulet, son, Rod, and baby, Kay. They expect to return Auust 9.

Evangelist Lists Gospel Service

Announcement has been made of gospel services to be held from August 4 to 18 in the Little White church, corner of Edison and San Antonio, Chino. Services will be directed by Harold Paulus, evangelist from Ohio, and Rev. J. R. Eyster, pastor.

Church Notices

CHURCH OF CHRIST
Ninth and First
Marvin R. Tate, Minister

Services as usual. Mr. Tate's sermon will be on "Christians' Expressions."

CHURCH OF THE NAZARENE
Third and Ninth
W. H. Burton, Pastor
L. Wayne Jenkins, Assistant

9:45—Sunday school.

FIRST BAPTIST
Euclid at E, Ontario
Rev. R. Merrill Jensen, Pastor

9:45—Church school.
11:00—Worship.
6:30—Young People (four groups).
7:30—Service.
Wednesday, 7:30—Oasis Hour.

HOW MUCH?

If it takes 28 books by experts to explain radar, how much faith is to be put in the politician who merely keeps his ear to the ground.
—Boston Globe.

Milligan To Talk On Technocracy

A. A. Milligan, authorized speaker for Technocracy, Inc., will speak at Chaffey college tonight at 8 o'clock on "Blueprint for the Future."

Admission is free to the lecture which will deal with the problems facing Americans in an international sense rather than purely national.

Mr. Milligan in urging everyone to attend stated, "Technocracy's position is based on facts, not rhetoric. Its message has cut deep. It has reached more intelligent and functionally important citizens in all walks of life than any other organization and continues to do so."

If we don't fight for the best we can expect the worst.

Electrical Appliances Still Scarce As Demand Keeps Ahead of Supply

Household appliances of all kinds trickle into the local market, with the demand for some items so great that it will be some time until dealers can supply the pent-up demand.

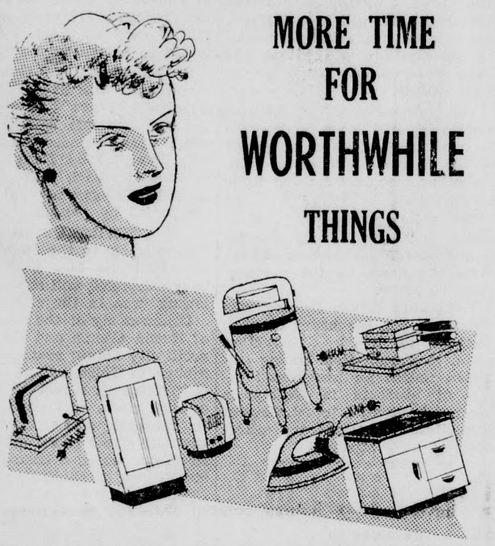

Uplanders' desires for radios, mechanical refrigerators, irons, clocks, mixers and numerous other itmes are so keen that most dealers do not see any end to the demand within the immediate future.

On the brighter side, however, many of the local appliance dealers have items in stock for immediate delivery, and waiting lists for other appliances are shrinking. Barring unforseen industrial strife, dealers see an increased flow of goods to the market. Some believe that OPA price adjustments should stimulate the delivery of appliances to the local dealers.

Practically every nationally known appliance is handled by stores in Upland and vicinity, with most dealers having franchises from several of the large manufacturers. Dealers in appliances in the Upland area are as follows: Rowe Hardware Co., Colborn Electric Co., Southern Electrical service, Hamilton Electric Co., Home Appliance Co., Upland Radio Sales and Service, Western store, Upland Furniture Co. and Firestone store.

In Cucamona, appliances are handled by the Sierra Electric Co., as well as the House of Appliances. Ontario stores featuring appliances are Ford Bros. Music Co., Barnett and Benz, McMahan Furniture store and Caldwell-Kelly Furniture Mart.

JOHANNA MEYER WEDS DALE SMITH IN THE CATHEDRAL OF THE FOOTHILLS

Johanna Meyer, daughter of Mr. and Mrs. C. B. Meyer, Ontario, became the wife of Dale Smith, son of Mr. and Mrs. Walter B. Smith, Ontario, Friday at the Little Cathedral of the Foothills.

The double-ring ceremony at 10 a.m. was performed by Rev. Samuel Hughes, pastor, before a group of about 100 friends and relatives. The bride was given in marriage by her father. Mrs. George Cassell, 756 North Third avenue, played "Oh, Promise Me" on the organ.

The bride wore a white wool suit and hat with a peach blouse, and carried a nosegay of white roses. She was attended by Bonnie Smith, sister of the groom, who wore a light green suit and also carried white flowers.

C. B. Griffith, Ontario, served the groom as best man.

The bride's mother wore a powder blue dress and carried white roses. The groom's mother had white roses also and wore a navy blue silk dress.

A reception in the Upland Woman's club house followed where 50 members of the family and friends were served pieces from a sake shaped as a wedding ring.

For her going-away costume, the bride choose a white cotton. The couple will go to Catalina Island and on their return will make their home at 103 East H street, Ontario.

Mr. and Mrs. Smith both attended Chaffey high school and Mr. Smith was a student at Chaffey college. Mrs. Smith had been employed as a stenographer. Mr. Smith is an electrician.

Alta Loman Reveals Engagement to Colorado Woman

Announcement was recently made of the engagement of Marjorie Nash, daughter of Mr. and Mrs. Marion Nash, Ordway, Colorado, to Marvin C. Billings, son of Mr. and Mrs. Gordon A. Billings, 857 North Hellman avenue, Alta Loma.

Mr. Billings attended both Chaffey high school and college and for the past three years has served with the air corps. Wedding plans have not yet been set.

Both are attending Colorado State College of Education at Greeley, Colorado, where they are specializing in business education. They are members of the national honorary business education fraternity, Pi Omega Pi.

San Antonio Heights News

BY RILLA STICKNEY
Special News Correspondent
Phone 317-291

Dr. and Mrs. Charles Taylor, Sierra drive, returned recently after a very enjoyable trip. They visited a son, Dr. E. M. Taylor in Portland for about two weeks. Traveling east, they visited another son, Dr. Lawrence Taylor, Ottumwa, Iowa, for a little more than three weeks. Many interesting places were included also in the tour.

Lavonne McLellan, daughter of Mr. and Mrs. H. L. McLellan, Euclid Crescent East, and Rilla Stickney, daughter of Mr. and Mrs. H. J. Stickney, Terrace drive, are at home after spending a week at a Methodist Girl's camp at Idyllwild. The theme of the camp was "Blueprints for Brotherhood." Many of the counselors were returned missionaries from Africa, India, and missionaries in our own country. Many races were represented among those who attended.

Mr. and Mrs. Theodore Reeder, and three children, of Bakersfield, are visiting for a few days with Mr. and Mrs. Arthur Reeder, San Antonio Crescent East. Mr. Reeder is a brother of Arthur Reeder and is with the Standard Oil company.

San Dimas Park Will Be Scene of Picnic

With Mr. and Mrs. Kenneth Crandall as host and hostess, members of the San Antonio Heights Hill Toppers club will meet Saturday for a family picnic. Held in San Dimas park, the supper will begin at 6:30 p.m.

* * *

Acreage totaling ninety-seven million is slated for the nation's corn crop for the year.

COUPLES BAND TO FORM DANCING CLUB; ORGANIZE "COLONY CLUB"

Beginning with 11 couples who held their first dance in the Upland Woman's club house, a group of people who enjoy dancing have banded together to form a dance group called the Colony club.

Membership has grown since the original members formulated the plans and is now limited.

According to the club's schedule, 10 dances a season are held, including a Christmas formal in December and a spring formal in April. Rotating committees serve as hosts and hostesses for each dance.

Dances are held on the fourth Saturday of the month with the exception of August and September, the September meeting taking the form of a family picnic.

Officers for the coming season, October 1946 to July 1947, are Harry Potter, general chairman; Mrs. Calvin Stilwell, secretary; and Reginald Taylor, treasurer. Executive board members are Mrs. Walter Axley and Lynn Hall.

Past officers are Mrs. Lynn Hall, general chairman, and Mrs. Clifford G. Scrogin, secretary-treasurer.

Couples are the Messrs. and Mesdames William Andrews, Walter Axley, Paul Balding, Baird Bromley, Loyal J. Foster, Dallas Gladson, John Gruys, Lynn Hall, Milton Hall, Lacey Handley, G. L. Hanway, W. W. Hartshorn, G. K. Nichols, Paul Peterson, Harry Potter, Ed Powell, John Riddle, H. Allan Schott, C. G. Scrogin, R. P. Simpson, R. J. Sorensen, Calvin Stilwell, Herbert Swim, Reginald Taylor and William Wright.

ABOUT PEOPLE

Mr. and Mrs. Victor Chowning, 314 South First avenue, have returned from a motor trip through the mid-west visiting relatives and seeing the sights, the Uplanders included many states in their itinerary, Nevada, Utah, Nebraska, Iowa, Minnesota, Wisconsin, Illinois Missouri, Texas, and New Mexico. They were gone for 20 days.

Rev. and Mrs. Samuel Hughes have gone to Corona Del Mar, where they will vacation for several weeks. Dr. Hughes is pastor of the Upland Methodist church and they plan to be away for nearly a month.

Mrs. Henry Wagner of Topeka, Kan., who is a guest of Mrs. Anna Widmark, is visiting other former Kansas friends, including Mr. and Mrs. W. H. Froelich, North Eighth avenue. They are all former residents of Enterprize, Kansas.

Curtis Dress shop is offering special values in highly styled coats, suits, dresses, fur collars and tuxedoes during August. 135 North Euclid avenue, Ontario.
adv. 27-2

Mr. and Mrs. Keith Koehler, 1000 West Twenty-second street, have returned home after several weeks in Kansas City. Mr. Koehler reports that it wasn't only the weather that was hot in Kansas City but politics as well.

Mr. and Mrs. Harold Barbour, 280 North Vista place, are reported nearing Pennsylvania, their native state, after a leisurely trip across country. The Barbours expect to be gone through the rest of this month.

Visitors at the home of Mr. and Mrs. Edgar C. Pierce, Hillcrest drive, are Mrs. Pierce's mother, Mrs. Alice Murray, and sister, Miss Velma Murray, from Enid, Oklahoma. They made the trip by car and will remain for the wedding of Edgar C. Pierce Jr., to Miss Olive Mae Beach, Glendale, on August 31.

Miss Harriett Genung, 1390 West Fifteenth street, Upland, has just returned from a conference at Fresno as state chairman of international relations for the national Business and Professional Women's club. Conference was held in the Hotel Californian. Returning by the coast, Miss Genung was able to visit her sister, Miss Marie Genung, who is general assistant librarian at Mills college. Harriett Genung has been selected as librarian for the new Mount San Antonio college.

Mr. adn Mrs. Glen J. Armitage have returned from a five-week trip of the western states and at present are staying with Mr. Armitage's parents, 805 Berkeley court, Ontario. The couple expects to leave within a short time for Vancouver, Washington, where they will make their home. Mrs. Armitage is the former Judy White, daughter of Mr. and Mrs. Abie R. White, 155 West Camino street.

Kenneth Hanson started his return trip to Hawaii yesterday afternoon after visiting with relatives and friends for more than a month. An Uplander of many years prior to his residence in the islands, Mr. Hanson is active in the agricultural industry in the Pacific outpost. His wife, who is remaining here for a more extended visit, will return to Honolulu later. Their son, Ken Hanson has enrolled at the University of California at Berkeley.

Mr. and Mrs. S. Earle Blakeslee, 845 West Sixteenth, will spend a month's vacation at the home of their son and daughter-in-law, Mr. and Mrs. Earle Bevington Blakeslee, at Mount Dora, Florida.

Mrs. Nathan Cohn and daughter, Betty, have returned from a week's stay in San Francisco where they visited a niece, Mrs. Emmet Cartwright. Part of the time was spent in Oakland.

★ Fashions ★

Juniors especially need play clothes during the summer months. Shown above as pictured in the May issue of Good Housekeeping magazine are shorts, bra and beach coat in gray or black poplin.

Mrs. D. L. Hilbert, 248 North Euclid avenue, will leave Saturday for a month's vacation. Joining her sister and niece, Mrs. Lulu Hirst and Mrs. Vivian Walker, at Taft, she will make the remainder of the trip by car. The time will be spent on a Montana ranch with Mrs. Hilbert's nephew and his wife, Mr. and Mrs. Lee McCord.

Rev. Edwin L. Carter, pastor of the First Christian church, Ontario, will leave Sunday with his mother, Mrs. Ray Carter, Charter Oak, for Grants Pass, Oregon, where they will visit relatives, Mr. and Mrs. Fred Robinson. His wife and two children, Charles and Kathleen, are at present vacationing in Santa Barbara.

Herman Cordes, Jr., son of Mr. and Mrs. Herman Cordes, West Twentieth street, is a new recruit into civilian life from the navy. He is at nome after returning from Shanghai, China, where he had been stationed for several months. He was in the service 14 months and was discharged with the rating seaman first class. He plans to enroll at Chaffey college in the fall.

Mrs. Fred Kushin, assistant manager of Parkside, and her son, Stewart, left by train for Cleveland, Ohio, Tuesday. They expect to be back in about a month.

Dean S. Duncan, 754 East H street, Ontario, has gone east with his family. He will return to his desk at the U. S. Employment office where he is veterans' employment representative on August 12.

Mr. and Mrs. Melvin Hamilton will leave over the week-end on a business trip to Kansas City. They will go by motor, returning in about two weeks.

Mrs. S. G. Moore, 525 North Euclid avenue, left yesterday morning for Berkeley, where she will spend two weeks visiting with her son and daughter-in-law, Mr. and Mrs. Paul C. Moore, and her grandson, Roger Moore.

VETERANS AUXILIARY GROUP ELECTS DELEGATES TO NATIONAL CONVENTION

Among other business at last night's meeting of the Auxiliary of the Disabled American Veterans was election of delegates to the national convention to be held in Portland, Ore. next month.

Chosen to represent the local group were Mrs. Nathan Cohn, Mrs. Leo J. Murphy and Mrs. G. E. Whitehouse, and alternates are Mrs. Frank Goodban, Mrs. Orsula Hanna and Mrs. J. J. Cox. The meeting was held in the Memorial hall with Mrs. Cohn, president, in charge.

An interesting report of the state convention was given by Mrs. Whitehouse and Mrs. Murphy.

A report of the hospital committee revealed that five members recently visited the naval hospital at Corona and distributed magazines, bed slippers and flowers to 990 patients. A cash donation was voted for the San Bernardino County Council of Social agencies, which will enable deserving children to go to a summer camp.

Allied Groups Meet For Pot-luck Picnic In De Anza Park

With the Daughters of Union Veterans organization acting as hostess, the Sons of Union Veterans, the SUV Auxiliary, and the Woman's Relief Corps will meet at 6:30 at De Anza park, South Euclid, Ontario, for a pot-luck picnic.

While the hostess organization will furnish ice tea, coffee, and ice cream, those attending are asked to bring their own table service, table cloth, and sugar.

After a short program, Clement W. Jaggard will show moving pictures on Carlsbad Caverns.

Club Members Invite Husbands to Picnic

Members of the Red White and Blue club are inviting their husbands to join them for a contributed lunch August 6 at De Anza park, South Euclid, Ontario. With luncheon at 11:30 a.m. games will be played in the afternoon.

Recent visitor at the home of Juanita M. Fox, 236 West Foothill boulevard, was her father, L. A. Behner from Cleveland. Mr. Behner spent two and a half weeks. He made the round trip by plane.

Presbyterian Women Assemble to Hear Missionary Nurse

Miss Edna Lawrence, Presbyterian missionary nurse, spoke at the meeting Thursday of the Woman's association of the Presbyterian church. Luncheon at noon was served by Mrs. A. C. Deattie and members of group one.

Miss Lawrence, recently returned from Seoul, Korea, told that the aim of missionary nurses was to relieve suffering, remove superstition and train native nurses and doctors.

She quoted Dr. Helen K. Kim, president of the Ewha Women's University at Seoul, as saying, "Not the presence of atomic energy but our failure to be and to act as serious Christians right now will be the great threat to world peace."

About 60 persons attended the gathering. Mrs. S. P. Tipton, as president, presided, while Mrs. Anna Stone gave the devotions.

"He says NO—not till they can get their silent Servel Gas Refrigerator!"
"There's only one refrigerator for us . . . and that's a Servel," more and more folks are saying. For they've learned from friends and neighbors that the Gas Refrigerator stays noise-free, wear-free. The secret? A tiny gas flame replaces moving, wearing parts in its freezing system.
New Servels are coming off the line every day. But the demand is so great that some folks may have to wait a bit. If you can't get yours right away, remember—Servel is worth waiting for. It stays silent, lasts longer.

"Go Ahead" Sign Brighter Now As Fewer Government Controls in Effect—

During the first week of August, 1945, the first atomic bomb struck Hiroshima, physically blasting Japan out of the war and emotionally blasting the world into realization that peace was at hand.

The "first year since" has been far different than that forecast immediately after Japan's surrender.

Beginning of the "second year after the bomb" is bright with anticipation, with hopes that production will finally begin to "catch up" with the needed requirements of millions of households.

A year ago the most important prophets were those in government—for they had power to enforce planning according to their visions.

They announced themselves prepared for the great post-war bogey—the bogey of unemployment. The bureau of labor statistics foresaw at least seven million people out of jobs.

That bogey was wrong. Actually, there is still a shortage of manpower—not a surplus. During the "long year" since the first Jap bomb we have overthrown many of the shackles of government control and regimentation.

John W. Love, writing in Newsweek, aptly states it: "We have learned how to take Washington forecasts. We can properly discount them in the future. We are by no means freed of government planning—but we have had a fair demonstration of its effects."

Maybe Upland and Ontario Can Profit by Los Angeles Pictures—

The finger of carelessness is being pointed by the Los Angeles Times at Los Angeles citizens.

By pictures and words, the metropolitan daily is reporting what is seen by the camera and by inquiring eyes.

And the result is highly uncomplimentary to the west's biggest city.

What goes for Los Angeles also goes for many other cities—Upland and Ontario excepted, of course.

"Did you see the pictures in The Times?" inquired an interested Upland citizen. "Now look at Upland's streets. See the rubbish, look at the gutter; note the trash over there . . . ," and he pointed to a light standard, cluttered with a spoiled tomato, lettuce, leaves, crumbled paper and dust.

Yes, maybe carelessness does exist in some city other than Los Angeles. Take a critical look at your city, downtown and residential area.

Please Say Nothing More About Foothill and the Zoning Law

A few people outside the city limits have suggested that we say nothing more about Foothill boulevard and the Upland zoning law. Since business cannot be placed on Foothill within the city, property on Foothill just outside the city is more valuable. Therefore, we are urged by these non-Upland residents to say nothing more about the local zoning situation.

In other words, as long as the zoning law prohibits business within the city, business and industries of necessity will go outside the city.

Most Uplanders, we believe, do not want that condition to exist.

Around Town

BY THE TOWNSMAN

When Dr. Merton E. Hill, speaking at the Rotary club last Wednesday, said that Frank Nichols, now manager of the Bank of America, was in the fifth grade and Mrs. Winnie Johnson in the sixth when he first came to Upland, Mrs. Johnson let out a cry of astonishment, just as if she had forgotten all about it.

Dr. Hill also mentioned that the trees, grass and shrubbery at the Upland Junior high school were planted by students and faculty alike back in 1909. While he didn't mention who those students were, we are told that Harry Wright was among the group.

People came so early to see the second presentation of "Pinafore" at Pomona Tuesday night that the singers had to take a hand and help the stage crew get the setting up. Evidently the success of the show at Chaffey the week before must have made some people afraid they wouldn't be able to get any seats.

Police Chief A. W. Swinney, after more than a week at Huntington Beach on his annual vacation, stopped into his office Wednesday to clean up a little work before going out again on a little fishing expedition that will take him away from Ontario until Monday when his vacation ends. He would make no promise of catching any fish, but one thing he was sure of was that he was going to enjoy himself regardless.

Speaking of fishing, Harry Dier returned Tuesday from a week's trip to Ensenada. He did quite a bit of casting there but as for the result is concerned all Harry will say is, "We had lots of fun."

There should be a special medal of some kind for the driver of a light blue sedan, whose careful driving avoided a serious mishap Wednesday at noon. As he approached the PE tracks at Sixth avenue, three children on bicycles, neither looking right nor left, darted directly in front of his car.

Fortunately, the driver had his car well under control and came quickly to a stop. One of the children, upon seeing the car so close, lost her balance and fell off the bicycle, within inches of the automobile wheels, which were at a complete stop.

White, metal signs pointing to the Ontario International Airport are being placed at strategic corners in and around Ontario. Plans are to have two signs at Euclid avenue and A street, one at California and Euclid, and two on highway 60 at the north and south entrances of the airport.

Mac Says So

BY PAT McQUILLEN

"DAVVY"

The hand of fate weaves its own tapestry. This is as true in our own community as in any of the larger cities of population.

The pattern is fashioned by trends of economic expediency, the past of industry, the emergences of war and consequent redistribution of population.

People are the warp and woof of the always unfinished masterpiece.

Indeed, we the people, give this tapestry motion, color, line, and constitute the blended individuality that marks the personality of the village.

So, you and I are constantly contributing to the weaving of the picture that others see more clearly than we do ourselves.

There are various individuals who, by the sweetness of their inherent good nature, their ready genuine smiles, the constant performance of kind acts and thoughtful services have earned the confidence, gratitude and friendship of everyone they have served, or with whom they have dealt.

Of these builders of the good name and the good will of this large community we trot forth a candidate whose acclaim will be unanimous—Davvy Davenport.

Davvy deals in Citrus Pest control oils, sprays and what not and everybody nursing a forest of scale fodder knows it. Hardly anyone calls hims Milton or even Milt. It's just "Davvy". That handle means a great deal to the folks who have known this fine, friendly gentleman through the years.

Aboard his clanking speedster Davvy is constantly attended by his cold nosed traveling companion, "Lady", a plump pooch almost as well known as her boss.

Davvy claims she's a $20,000 dog because he was offered two $10,000 cats for "Lady" and which same offer he generously refused. Who now can deny that "Lady" has a slug of royalty in her veins?

This may be beating around the mulberry bush in getting out our vote for Davvy. He may gently slap us down for the publicity, yet we feel, should we leave it to popular ballot, Davvy Davenport would win—hands down.

This Life We Live

By JAMES V. LATIMER

I was twenty years old before I ever saw the mountains, because I lived in the Middle West, and I was more than twenty before I saw the ocean. Yet I am not alone, for I met a California boy over twenty who had never been out of the State until this last war came along and he entered the armed forces. Since then he has seen nearly every state in the Union, and foreign countries too. Travel has broadened him. In travel one comes to know customs, habits, history and tendencies. Travel is education.

It is interesting to note that the G. I.'s seldom mention the places where they have been, but if you ask an intelligent question you receive a concise answer, accurately stated. People who travel most speak least of their experiences. Possibly that is because they realize there is so much in the world that they do not know. In the Far East I have noted that the casual visitor of a few months is likely to write a book, while those who have lived there thirty years or longer hesitate to declare themselves, realizing that there are many interpretations of what we see, and many different backgrounds.

Once I was crossing the Pacific and asked a seasoned traveler how many times he had crossed. He answered, "I have not kept a record; but this is possibly my twenty-ninth or thirtieth crossing." Yet he never told us of those experiences—just let us learn for ourselves. The fellow who made but one trip to Europe is likely to feel that he saw it all, and likes to tell us of his life there. Yet travel is education. We learn of countries, their habits, their customs, their philosophy and their history. One cannot be long in Manila without learing about Rizal, the Father of the Independence entered into last month. They killed his body because of his forward look; but they cannot kill his spirit. You cannot visit other countries without entering somewhat into their lives and histories.

Travel is rightly classed as one of the five elements entering into the full and complete life, well rounded and satisfying. It leads one to judge people by what they are, and not by the amount of money they may or may not possess.

Monnies' Homer Paves Way For G.E. Victory

Sport-O-Graphs

BY DON BENSON

With only a few games remaining to be played in the American league, it is about time for the "eggsperts" to start picking the All-American league team.

Having seen G. E. at its best—also its worst—it may seem that I'm more or less one-sided by picking five G. E. players.

How about this line-up?

Catcher — Frank Fiscalini, San Berdoo.

1st base—Buzz Gardner, G. E.

2nd base — Jerry Waitman, San Berdoo.

3rd base—Norris Hanna, G.E.

Short—Rex Hannah, G. E.

Left field—Glenn Kelly, Etiwanda.

Center field—Reldon Dunlap, G. E.

Right field—Lalo Escarcega, San Berdoo.

Pitchers—Glenn Callaway, G. E.; Roy Zimmerman, Colton; Harvey Griffin, San Berdoo.

With a line-up like that, even Aunt Susie could manage it O. K. It took lots of noggin scratching to leave off Francis Johnston, Regina's ace shortstop. I flipped a Confederate penny to choose between Hannah and Johnston.

Lalo Escarcega, Berdoo's newest player, from Alhambra, has been with the Prop Roomers since July 18, but has proven his worth by slugging the stitches out of the ball, while chasing the ball in a rapid fashion, and that is what this league is shy on—sluggers.

While my neck is stuck out, let me say that if the season's records are scanned carefully, G. E. will have the best defensive record and team in the league. Guess it's a good thing, as it helps balance up their terribly sad deficit in the hitting department.

While we're on the subject of the American league, the standings (as of August 1) are closer than a ham sandwich. San Berdoo is still out in front, with G. E. and Riverside still tied for second, and Colton and Etiwanda tied for third, and Arlington six games behind.

Only two games separate the second and third place ties, due to G. E. and Riverside postponing their Fourth of July game. (Wonder when they'll play that?) There's plenty of "heat" on the teams, as the first four are eligible for the Shaugnessy play-offs.

Husbands who think they can run a home better than their wives should swap jobs with their wives.

Stars Subdue Arlington 3-2, At Riverside

A home run clout by Scooter Monnie on the first ball pitched in the first inning started the ball rolling last night at Riverside as the G.E. Stars nosed out the Arlington Marketeers, 3-2.

All of the runs in the game were scored in the first four innings after which both pitchers settled down to hold their opponents scoreless.

After G.E. had hung up a run in the first on Monnie's four-bagger, Arlington tied it up in their half of the inning when Jack Ballard, catcher, singled and scored on two long sacrifice flies.

With the score tied up, 1-1, Monnie walked in the third. Rex Hannah came through with a smashing triple scoring Monnie. Then Buzz Gardner blasted a long sacrifice fly, bringing in Hannah with what proved to be the winning run.

Arlington's second and last run came in the fourth. Sully Wasmuth, second baseman, opened the frame with a double. After he had stolen third, Wasmuth came prancing home on an overthrow.

Glenn "Cab" Callaway was on the mound for G.E. while Graham handled the pitching chores for the Marketeers.

Two Merchant Players Chosen to Play in Pennant Series

Ed Aitken, star first baseman and Pitcher Earl Smith are the two members of the Ontario Merchants who will play tomorrow at Gilmore field, Hollywood, in the Los Angeles finals of the Hearst National Diamond Pennant series.

From the 26 southland prep stars who will participate, two will be chosen to play in the Hearst series finals at the Polo Grounds in New York. Aitken starred with Chaffey high and Smith with Bonita high.

ROTARY "STARS" SHINE BRIGHTLY, THEN DIM OUT AT FIRST PRACTICE

BY ROTARY WHEEL

INSIDE ROTARY TRAINING CAMP—Holding their first practice at the Upland Junior high school Wednesday, the Rotary "Stars" shone brightly in spots and then dimned into complete insignificance at other times.

After a little infield and outfield practice, the Rotarians played a few innings against the Upland Recreation team and fortunately for the Rotarians, no one took time to keep score. Gene "Big Boy" Mueller started on the mound and had good and bad innings, but displayed his batting power to good advantage, clouting out some long ones that unfortunately were caught by the other team.

ONE INJURY

Only one injury resulted when Mgr. Steve "Muggs McGraw" Kalagian, playing second base, caught one from Catcher Bus Andreas on the tip of his second finger (left hand). But true to the tradition of "the game must go on," he continued in the game.

Disguised Lion scouts were reported hanging from trees and hiding in broken-down Model T's all around the Junior high school field. It is even suspected that one Lion posed as the ground keeper and went around cleaning the bases every inning.

POSSIBILITIES

In spite of their ups and downs last Wednesday, the Rotarians showed sign of great "latent power" as they pulled a fast double play in the third inning. With a man on first base, Pitcher Mueller scooped up a grounder threw the ball to Harry Wright to second, who quick as a jackrabbit ,hurled the ball to his younger brother, Ellery Wright, on first for the double killing.

Spencer Smith and Mgr Kalagian each pitched an inning of the game and showed some promise of being good relief hurlers. There was some indication, however, that the Rotarians were keeping a few "aces in the hole" in the dark and would not bring them out in the open until a day or so before the big game with the Lions.

LINEUPS

The starting lineup and batting order for the Rotarians follows:

Harry Wright, 2nd; Jay Leaman, lf; Ellery Wright, 1st; Oris Heinauer, ss; Gene Mueller, pitch; Ben Admas, catch; Alex Fader, 3rd; Dan Maher, cf, and Bob Thrall rf.

Others who played were Andreas, catch; Smith, rf, 2nd and pitch; Sanford Otterness, cf, and Kalagian, 2nd pitch.

Paul Hottel who was unable to play due to a torn ligament was also present with Mrs. Hottel as was President Bob Henderson. Unkown Lion scouts were also sprinkled among the huge crowd that was on hand.

Foul Tips

G.E.—ETIWANDA

Callaway came through in nice fashion in the fifth after Ray Shaddox reached second on an error, striking out the next three batters, 1-2-3.

Roy Wenger caught a swell game for G.E., excepting his error in the eighth, with his peg to first hitting the runner.

Norris Hanna made a beautiful catch of a red hot liner in the eighth that had "hit" all over it.

Dunny Dunlap made his usual fast running catch, plus throwing out Lee at third, for the game's only double play.

Glenn Kelly continues to mash the ball at a terrific clip. His last average was a cool .400, which is really hitting the ball in any league.

In the last round G.E won only two out of five games, having to go into extra innings to do that. It looks as if they'd better start giving that old "college try" and start hitting the ball when it counts, or they might not make the Shaugnessey play-offs themselves.

Why not put Jeff Benner in the outfield as his bat is pretty consistent and he used to chase fly's for Etiwanda before the war, too.

Hint: Watch out for collapse of prices that are high and be careful when you buy.

Colorful Dukes Meet G. E. At Galvin Park

BY DON BENSON

Local softball filberts will have a chance to see one of the fastest all-colored teams in Southern California tangle with the General Electric team tonight at John Galvin park.

This will be the initial appearance of this snappy crowd pleaser, as G.E. played two games at Riverside earlier in the year with "Jittery Jeff" Benner pitching a game long to be remembered, only to lose 2 to 1 in 14 innings.

The Dukes beat G.E. in the second game, with Rex Hannah getting the only run, thanks to a ninth inning homer.

With Cab Callaway pitching against the Arlington Marketeers last night, Mgr. Shorty LaCaese will start either Benner or Verle Hawes for G.E.

That the Dukes are a top team goes without saying, but are also masters at entertaining the crowds, as they clown through the game and their zany antics draw big hands from the crowds.

Business Manager Ralph Taylor is expecting the biggest crowd of the year, so better start a little early to see this prize attraction. Game time is the usual 8:15 p.m.

Honor Upland Player Sunday

George Salter, the Upland boy who continues to hit the ball well over .400, will be honored at John Galivin park this Sunday when the Ontario Merchants tackle Gardena in a double bill.

During special ceremonies which will be held between games, fans and teammates will show their appreciation to "Slugger" Salter by presenting him with appropriate gifts.

The first game Sunday is scheduled to start at 12:45 p.m. and the second at 2:45 p.m.

LIONS' CAMP CONFIDENT; EVERYBODY WANTS TO BE IN ON STARTING LINEUP

BY LION HEAD

ROARING TRAINING CAMP, August 2, (Special to The News)—The biggest job ahead of Manager Harry Snowden in this wild and wooly camp is to keep his squad members satisfied. All of them want to be in the starting line-up—in on the early "kill" of the Upland Rotarians.

About 40 rip-snorting baseball players, each with many sterling diamond honors to his credit, wants to get the first whack at the cross-town club. It won't be much of a game after the first couple innings and so it won't matter who's playing then.

There's one hold-out that is bothering Manager Harry. Big, tough George Miller, whose nearly 300 pounds will do credit to the Boston Red Sox, has not condescended to play—as yet. It's small town stuff to him. George doesn't think the game should even get his attention, let alone his efforts. But Harry is persistent. At least he is expected to be in the dugout at game time.

Rumor has drifted here that the "old men" of the rival club are practicing twice a day. Or, maybe that's all talk but anyway Big Boss Snowden is glad of it. He is having trouble in really getting the squad sold on the idea that any practice is necessary.

Sam Barker, versatile a man as you ever saw, takes a lot of ribbing as he mildly goes through the warm-ups. Henry Busch, the playing prexy of the club, shows a little more interest but he expects to take 'em in stride without much effort.

Ernie Olson may get one of the starting jobs even though he frankly isn't much of a ballplayer. He and Harry are bosom pals and that helps when so many guys want on one of the first nine. Doc Double "T" Ackerson doesn't even stay in camp long enough to put on a suit, but he is slated for one of the spots in the outer gardens.

Dick Thompson, Ernie Gibson, and Earl "Never Crabbing" Johnson are sure to be in the first list of nine players but then what will Manager Snowden do with such outstanding flingers and hitters Harold Musser, Earl Wenger (who is a real ace of a pitcher), Melvin Shimmin, Hucky Huxtable, Glenn Atwood, Bill Gilliland, Joe Seitz, etc., etc. And don't forget Harold Cook and Squeak Wilson. They are tops.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma,, Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p.m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.
$1 if person selected has no sales slip.
$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.

To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

ONLY $1.00

FonWanda Retail Lumber Company Starts Operation in Etiwanda

Announcement was released today of the opening of the FonWanda Retail Lumber company with offices at the northeast corner of Whittram and Etiwanda avenues in Etiwanda.

It is buying lumber in carload lots from Oregon mills and will offer special prices to contractors on orders of 5000 board feet or more, with all materials surfaced and finished.

Prices on all grades will be at or below those established by the OPA. Prices on all grades will be at or below those established by the OPA. The company has been receiving lumber in large quantities and efforts will be made to fill all orders, regardless of size.

It plans to handle builders' hardware and equipment when warehouses are completed. The office is open from 8 a.m. to 5 p.m. daily and until noon Saturday.

Officers are Willoughby J. Robinson, president; John H. Gordon, secretary-treasurer, and Mrs. W. J. Robinson, vice president.

Faculty for School Complete

The teaching staff of the Central school, Cucamonga, has been completed for the fall term with two new teachers on the faculty.

Mrs. Mary Jackson, who taught at Rialto last year, has accepted a contract at Cucamonga. She is a graduate of La Verne college.

Miss Elda Engle, Upland, will teach the primary grades this fall. She was graduated from Beulah college in June and is taking special courses at Pomona college in Claremont during the summer. She had two years' teaching experience in Kansas prior to coming here.

The others on the staff are Mrs. Laverne Van Antwerp who is enrolled at U.C.L.A. during the summer, and the principal, Wallace Stoebe, who is working on his master's degree at Pomona college.

Man Gets 180 Days On Assault Charges

Frank Vindiola, Cucamonga, was sentenced to 180 days in the county jail after pleading guilty to charges of assault and battery. He was tried Wednesday in Judge William Hutton's court, with charges being filed by Ramona Vindiola, his wife.

Judge Hutton Fines Drunk Driver $100

Lewis F. Hall, San Bernardino, was fined $100 by Judge William Hutoon in Cucamonga justice court yesterday for driving while drunk. Hall was arrested at Archibald avenue and Foothill avenue and Foothill boulevard at 7:30 a.m. Wednesday.

Voters Approve Tax Proposal In Election Tuesday

Voters in Cucamonga and Alta Loma overwhelmingly approved an increase in the school tax assessment at the polls Tuesday.

Alta Loma voted 47 to 6 for the proposed increase in the assessment while Cucamonga favored it by a 17 to 9 vote. The new assessment, to be in effect for five years, will raise the tax figure to $1.25.

According to the proposed budget of the Central school, the increased tax will bring in an additional $6,000. This increase will be needed to handle the influx of new pupils from the new Cucamonga camp. The proposed Alta Loma school budget lists district taxes required for next year at $19,000, a little fore than $9,000 above the present figure.

Voters in South Cucamonga go to the polls next Friday to vote on a similar tax proposal. Balloting will take place in the school building from 1 p.m. to 5 p.m.

PERSONAL NEWS

BRIEF ITEMS OF CUCAMONGA, ALTA LOMA AND ETIWANDA

Mr. and Mrs. Harold O. White, 900 Beryl avenue, Alta Loma, left yesterday to spend a few days with friends at Huntington beach. With them are their son, Rawly, and niece, Linny Costello.

Sunday visitors at the W. R. Waters, 174 East Arrow highway, Cucamonga, were a son and daughter-in-law, Mr. and Mrs. Russ Waters, Whittier.

Mr. and Mrs. C. G. Scrogin, 1332 North Heliman avenue, Alta Loma, were recent visitors at the home of Mrs. Scrogin's sister and Mr. Scrogin's brother, Mr. and Mrs. Frank P. Scrogin, Whittier. The group celebrated the occasion with a picnic in William Penn park.

Mr. and Mrs. A. E. Lewis, South Archibald avenue, Cucamonga, left Wednesday afternoon for a three week's trip to Yellowstone National park. They took their two children, Jean and Jerry, with them.

Recently returned from a two week's vacation in Northern California are Mr. and Mrs. C. O. Grover, Alta Loma. Their trip took them to Monterey and June Lake Lodge, besides many other points of interest.

ning commission were approved by the council. They included the Barlett and Rundle subdivision which is located on Euclid avenue between Thirteenth and Fourteenth streets and will have an Euclid frontage of an entire block. The other by W. B. and Mary Updergraph is also on Euclid west of Seventh street, with streets running east and west of Seventh.

Several residents on East Ninth street who live near the site where W. I. McCully plans to build his woodworking shop presented a petition protesting the location of the shop there. They were asked to appear before the planning commission next Thursday and to also give a reason for their protest.

August 15 was set as the date for hearing on zoning changes in the city as recommended by the planning commission.

A report received from the board of equalization of a transfer of a beer license was referred to the police chief for consideration. The request before the state is for transfer of the beer license at 1595 West Foothill boulevard from Frances Felte and Edward W. Roth to Frank J. and Viola McCabe and Hayes E. and Mary B. Winton.

Steel Goes Up On Airport Hangars

The steel for the two new hangars at the Ontario International Airport has been erected and the job is expected to be completed by September 16, George Sanford, airport manager, announced today.

Upon its completion, Pacific Overseas Airlines, which is planning a large expansion, will move into the new hangars. The city of Ontario authorized the purchase of the two new hangars upon the request of POA which has urgent need for the additional space.

Is Chaffey To Be "Another College" Or Outstanding One?-Spring

President Asks That Aviation Be Stressed

Question before the Chaffey board of education, administrators of the college and the general public, is whether the local educational institution will be "just another" junior college or whether it will be an outstanding college, Gardiner W. Spring, Chaffey president, said in speaking at the meeting of the Upland Lions club at noon yesterday.

"We are now at the point where a decision must be made," Mr. Spring said.

In his position it is up to him to make recommendations to the board of education, Mr. Spring explained and as such he had recommended that the aeronautics branch of the college be made the most outstanding in the nation.

LARGER PROGRAM

Specifically, he did not mention the efforts to get Cal-Aero flight academy facilities for the enlarged college program as he recently recommended to the board.

Using an apt illustration suggested by a previous speaker in reference to trains being late, Mr. Spring said when he was a passenger on a late train, a porter observed to him: "Once you are late, you keep getting later."

"I hope that Chaffey will not be late, and then keep getting later in preparing for the college of the future," President Spring declared.

WAR YEARS

The Chaffey president reviewed the institution's achievements in training men during the war. Five thousand men in uniform and 2,000 civilians were trained on the Chaffey campus and at the aviation base at Siler lake. Mr. Spring presented pictures of the training program.

"We were geared to be of service in wartime, and it is our hope that we can be geared for service in peacetime," he said.

The proposed enlarged Chaffey aeronautical college could be made the most outstanding in the nation by embodying every phase of aeronautics, according to the official. He said Chaffey must offer special features to attract students and that students must be assured of jobs on graduaion.

TURNER GUEST

Present as a guest was Charles L. Turner, head of the Chaffey aviation department. William Gilliland served as program chairman with Henry M. Busch, president, presiding.

Glenn M. Atwood, district governor Lions clubs, reported on the recent international convention in Philadelphia.

Last Rites Held For Train Victims

Funeral services were held today at the Todd Memorial chapel, Pomona, for Mr. and Mrs. Ray Allison Squier, and Janet Louise Mayr, 2½, daughter of Mr. and Mrs. Hans Mayr, Pomona. All of them were fatally injured when their car was struck by a train Tuesday night.

Mrs. Squier was the sister of Charles A. Perrin, 885 South Benson avenue, agriculture inspector at Chaffey High school and Miss Clara Perrin, 522 Vesta street, principal of Central school, Ontario.

It is reported that the approach of the mail train was obscured by another train on the siding so that Mr. Squier, who was driving, drove directly into the path of the westbound locomotive.

No inquest was held.

BIRTHS

SAN ANTONIO COMMUNITY HOSPITAL

A son was born to Mr. and Mrs. Lee Quilici, 905 East A street, Ontario, at 11:35 Tuesday morning.

The birth of a daughter at 4:40 Friday morning is being announced by Mr. and Mrs. Ignacio Moreno, 582 Twenty-fifth street, Cucamonga.

It's a daughter for Mr. and Mrs. Kenneth T. Houlihan, 122 North Euclid avenue. Time of birth was 5:15 Wednesday morning.

Mr. and Mrs. Nieviz Barron, 551 East Grove street, Ontario, announce the birth of a son at 7:01 Wednesday morning.

Announcement of the birth of a daughter was made by Mr. and Mrs. O. D. Vasquez, 1080 North Campus. Time of birth was 2:03 a.m. Thursday.

MEMORIAL COMMUNITY HOSPITAL

Phyllis Elaine is the name given the baby daughter of Mr. and Mrs. Alvin O. Bradford, 319½ West B street, Ontario, born Wednesday at 12:08 p.m.

Must Have Plan, Dr. Hill Tells Upland Rotary

"No great enterprise has succeeded in all history that wasn't preceded by the development of a definite plan," Dr. Merton E. Hill told Upland Rotarians when he spoke Wednesday at the Upland Woman's club.

Pointing to the definite plan on which Rotary International has operated, Dr. Hill said that because of this Rotary has done a "vast amount of good" in the world. He stated that, whether for good or bad, nations also have always operated on a plan.

Dr. Hill, who is a charter member of the Upland club and was its second president, said that for the past 25 years he has been "impressed with the greatness of Rotary," and by the continuance of Rotary ideals can there be any hope for world peace.

"Rotary must stand for ideals that tend to uplift mankind," Dr. Hill declared. "Ideals that give recognition to the Almighty, ideals that have reference to self-sacrifice that make for lasting friendship, hope and individual success."

Praising the business ethics for which Rotary stands, Dr. Hill said that these ethics transfer their influence to all men in all crafts and are designed to promote industrial friendship all over the country.

Dr. Hill told his audience that "Rotary should be an exponent of every good cause in the community. Declaring that every Rotarian must believe in boyhood, he said that every Rotary member should be like a big brother to every boy that needs attention.

Stressing repeatedly the need for a plan not only for organizations and individuals as well, Dr. Hill drew from figures in history as illustration. Lincoln, he said, had a plan and it was to save the union, no matter what the cost.

"Individuals, too, must have a plan of action," Dr. Hill said. "Those who have moved forward, whether as benefactors or injurers of the human race, have had definite plans."

Dr. Arthur Weber, also a charter member, introduced Dr. Hill.

Hold Last Rites For Uplander

Services were held this morning at 10:00 in St. George's Catholic church, Ontario, for Mrs. Anna Margaret Hughes Phillips who passed away Tuesday morning at the home of her daughter, Mrs. Orton P. Brady, 124 West Arrow highway, Upland.

The Right Rev. Monsignor John Hegerty officated at the services. Interment was at Bellevue cemetery.

Student at 65

Now planning to enter the real estate business, after 41 years in the Navy, 65-year-old Julius Caesar Falkener, Raleigh, N. C., Negro, is attending high school under provisions of the "GI Bill of Rights." Falkener, believed by Veterans Administration officials to be their oldest student, commented, "You got to know your mathematics if you're going into real estate—a lot of mathematics. That's just what I'm after."

Uplanders' Son Appointed to Job in Germany

Emil O. Toews, Santa Monica, son of Mr. and Mrs. A. K. Toews, 280 Ninth avenue, will leave the United States for Bavaria where he will serve as specialist in secondary and vocational education.

Chosen by the office of military government for Germany, Mr. Toews will serve under federal civil service. He is now awaiting the issuance of his passport, which is expected in the latter part of August.

His assignment is for one year and after three months of that time he will send for his wife and daughter, Miss Katherine Toews, a junior at the University of Southern California.

Mr. Toews lived in Alta Loma for several years, in Southern California since 1910. He attended Chaffey Union high school and later Chaffey Junior college.

He was graduated from the University of Southern California with honors in 1931, and since then has received his master's degree in education and psycho-ogy. At present he working to fullfil requirements for the degree of doctor of education.

He is president of the Southern California Directors of Vocational Education association and chairman of the Adult Education committee

Hot? Thermometer Will Justify Any And All Complaints

Uplanders have just reason for complaint when they speak of the hot weather within the past few days.

Yesterday the themometer reached the high mark of 100; today at one o'clock, the reading had already reached the 99 mark. Wednesday's temperature followed closely, registering 97.

July Permits Total $101,253 As Boom Returns

July became the fourth highest building month of the year as official totals disclosed that 40 permits were issued by the city inspector's office for a total valuation of $101,253.

This is nearly five times that of July, 1945, when permits were valued at $23,168. June was the lowest in 1946 when $22,973 worth of permits were issued.

With the July total included, 243 permits have been taken out for buildings in Upland for a valuation of $681,821.27 which is an all-time high in the history of the city.

In spite of material shortages, construction on 97 new homes has been started in the city during the year. April leads in new dwellings with 25, July being a close second with 20. June was the worst when only three permits were issued for new homes.

March remains as the biggest building month not only of the year but for all-time. Total valuation for new construction that month was $153,281.79. April with $149,011.98 was second and February, $129,835.50, third.

PATIENTS AT SAN ANTONIO COMMUNITY HOSPITAL

Tom Salyards, 401 North Vine, Ontario, was treated for bruises received in an accident caused by a blow-out. He was dismissed Wedesday.

Mrs. Charles Motsinger, 785 North Hermosa avenue, Alta Loma, was admitted for medical care.

Mrs. Jesse Clay, 117 Monterey, Ontario, was admitted for major surgery.

Lynn E. Foster, 744 North Vine street, Ontario, was admitted for medical treatment.

John Nemeth Jr., 12-year-old son of J. F. Nemeth Sr., 437 East H street, Ontario, was admitted for major surgery.

Receiving treatment for the laceration of the right hand, Bernard B. Batemen, 421 Tenth avenue, Upland, was released Wednesday.

Mrs. Allan McCowan, 736 Emporia, Ontario, was released following a major operation.

Lloyd Roland, 137 East Seventh street, Upland, was admitted for medical treatment.

Nelson Gray, 1644 North Euclid, Upland, was also admitted for medical care.

Henry S. Bridgman, 1124 East A street, Ontario, was admitted for minor surgery.

Alice H. Fleming, 2000 Amethyst, Alta Loma, was admitted Wednesday for observation.

Three children were admitted Thursday morning for tonsillectomy. They are: Jim and Bill Cook, sons of Earl J. Cook, 958 East A street, Ontario, and Martha Welge, daughter of Mrs. K. M. Hill, 1514 North Euclid, Upland.

Uplander Named 20-30 Delegate

John Humphrey, Upland, and Newman Draper, Ontario, have been named by President William Mathews as delegates to the national convention of 20-30 clubs which will open in Sacramento on August 14.

Wilmer T. White discussed miniature auto racing as a hobby at the dinner meeting held recently at the Red Hill Country club. He was introduced by Newman Draper.

Son Calls Wellers; To Be Home Soon

According to a long-distance call received this morning by Mr. and Mrs. L. A. Weller, 721 North Euclid avenue, their son, LeRoy A. Weller Jr., is expected home soon.

He has received his honorable discharge from the merchant marine, making the telephone call on his return from South America. He holds a B.S. degree from the California Institute of Technology and he plans to begin work on his master's degree in business administration at Stanford university in September.

ENGLISH GIRL VIEWS AMERICA

(Continued from Page One)

and some shirts, spending six months coupons in two minutes.

FIND SHOES

"It was seldom in London that I could find a pair of shoes that I liked, that fitted, and that I had the coupons with which to buy them," she added.

Of the 60 coupons a year allowed for wearing aparel, Miss Ling stated, "hey didn't go anywhere at all and after that we borrowed."

England is still suffering from a shortage of food, according to Miss Ling. Two ounces of cooking fats and two ounces of butter are allowed for each person a week.

VERY KIND

Blond-haired, blue-eyed Miss Ling met Mr. Armstrong while he was stationed at Camp Attledoroug in Norfolk county. According to Mr. Armstrong, a friend introduced them and "we took it from there."

Final comment from Miss Ling was "everyone in America has been very kind and I want to thank them."

Walker's Market Gets 10,893 Pounds Cheese

Walker's market has just received 10,893 pounds of Wisconsin cheddar cheese, obtaining it direct from a creamery at Maintowa, Wis.

This is the first shipment of cheese received here in five years. It is being offered to customers of Walker's market here, in Glendora and in Fontana.

Guests of Police Chief and Mrs. Eugene L. Mueller for luncheon at noon today were Richard B. Hood, special agent for the FBI, and Inspectors William Skousen, Gilbert Stuckey and Maurice A. Goudge.

Gleen M. Atwood, district governor, and William Gilliland, chairman of the district's student speaker contest, went to Santa Barbara today for a conference of Lions leaders.

Mr. and Mrs. N. H. Casler, who have been residing in San Antonio Heights, have moved to 288 West Ninth street, a residence owned by E. V. Wiseman. Mr. Casler is proprietor of Cas's Malt shop.
